

Victor Gabriel Clatici

Dermatologist and Venereologist, with extensive experience (over 20 years) in diagnosis and treatment of skin diseases and special interest in clinical research, skin cancer, sexually transmitted infections, photoprotection and sunscreens, skin aging, acne, rosacea, quality of life in dermatology, high tech technology (laser, radiofrequency, infrared, pulsed light) and medical internet. The first wrote in the Romanian language about quality of life and psoriasis (2001) and vaccines for sexually transmitted infections (2002). I was both Principal Investigator and National Coordinator for clinical studies, respectively multicenter national and international

studies. I presented over 450 papers at International and National Congresses, and I published over 70 articles in academic journals. Presentations and articles covered a large area: lasers and radiofrequency, skin cancer, psoriasis, atopy, acne, rosacea, melasma, cellulite, hair diseases, HPV infection, collagen diseases, cutaneous ulcerations, derma cosmetics, and nutrition. Victor Gabriel Clatici is an Invited Speaker at the most important congresses about Anti Aging and Laser – Monaco, Paris, Cannes, Barcelona, Bali, etc. Victor Gabriel Clatici develops an original and trademark concept, The Seven S of Skin® Concept, a veritable connection between Health and Beauty.
