### **Clinic philosophy:**

Dr. Komorohara, Medical Director at Ray Clinic located in Ginza, Tokyo specializes in botulinum toxin, Hyaluronic Acid as well as RF, Ultrasound, and various laser treatments. She focuses on keeping the patients' natural beauty while performing the best technique for treatments that enhance the patients' beauty for years to come.

### **Interests and hobbies:**

Dr. Kumiko Koromohara in her free time enjoys spending time with her husband and son. She is an avid reader, especially enjoying books on management and child rearing. She also enjoys studying (and wearing) traditional Japanese kimono on special events as well as going to art museums with her son.
