As the Medical Director of a non-surgical cosmetic medicine practice Dr. Shanthala Shivananjappa has been personally performing all minimally invasive procedures and injectables for the past 9 years. My focus and special interest is in the field of Regenerative medicine especially with the use of Exosomes since 2019. A list of all the procedures that I perform are available on my website at shanthalamd.com.

Skills

I have special interest in the use of Exosome therapy since 2019. www.shanthalamd.com
