

Lin, Shangli Taipei, Taiwan
lskskin@gmail.com

- **Dr. Lin is a board-certified dermatologist and one of the most renowned speakers in the field of aesthetic medicine in Taiwan. He founded Shangli Dermatologic & Aesthetic Clinic in Taipei 12 years ago and has been giving lectures and training sessions in numerous global conferences and workshops for years. He has won the best case in non-surgical facial rejuvenation in 2015 at AMEC for his insightful treatment plans and unique injection techniques, and because of his passion and tremendous experience in the fields of injectables, laser and energy-based devices, he is one of the mostly requested and invited speakers worldwide.**
